To our Champions...

Mission Accomplished! The mission of Cornerstone is to share the love of Christ in word and deed with anyone experiencing a crisis pregnancy, post abortion syndrome, or lifestyle distress providing accurate information, emotional support, and practical help.

Dear Laborers of Life,

The 2016/2017 fiscal year marked another year of Sharing Christ, Saving Lives, and Transforming Hearts.

As we are celebrating 10 years on Griswold Road, or as I lovingly refer to as "The Mother Ship," we are more prepared for battle than ever. You all have faithfully and prayerfully joined this mission to end abortion in Lorain and Western Cuyahoga Counties. Our staff and volunteers have worked tirelessly to bring awareness of our services and education to the afraid, hopeless, and at-risk woman. Hand in hand with you we will continue to battle for life.

Our highly trained staff and volunteers continue to reveal life through the use of ultrasounds and the sharing of the Gospel in our medical services building. They teach classes on parenting, forgiveness, and Christ-centered relationships. In 2016/2017, 79 babies were reported "safe," 34 women began a relationship with Christ, and we provided emergency diapers, wipes, and formula to 83 households.

Thank you for joining us in the fight for life. Your hours of prayer, teaching, scanning, options coaching, folding, table hosting, event attendance, quiet donations, and consistent encouragement have been essential to reaching the at-risk woman who has been told by society that she must make this choice alone.

LIVING STONES

*"I am placing a cornerstone in Jerusalem,
chosen for great honor,
and anyone who trusts in him
will never be disgraced."*
1 Peter 2:4-6 NLT

Cornerstone exists because of the generosity of faithful believers who want to support our mission to Share Christ, Save Lives, and Transform Hearts! Please prayerfully consider becoming a Living Stones Partner or pray about increasing your gifts to attain the next level in benevolent giving.
