OVERVIEW

CORNERSTONE PREGNANCY SERVICES

Ephesians 6:13

DEAR CHAMPIONS FOR LIFE,

Over the recent years, the Pro-Life movement has made great strides in the fight for life. With your dedicated service to this battle, we have not lost the momentum. Your commitment enables us to change the lives of the women we serve. Here is an example of how your support empowers the ministry to complete its work:

A 20 year-old college student was referred to Cornerstone by the Abortion Pill Reversal hotline to halt the effects of Mifepristone, the initial pill given during medical abortions. She called in desperation and now wanted to continue her pregnancy. Forty-eight hours after the initiation of her treatment, she reported that she did not abort. She is excited about maintaining her pregnancy and thankful she was given an opportunity to change her mind. It is encouraging to know that multitudes of women and their families are transformed for all eternity with Cornerstone's intervention.

Thank you for your faithful contributions and willingness to be Champions of this precious cause. We are grateful that you have loyally lifted our arms, as we stand strong raising the banner of the sanctity of life.

In His Service,
