# A WORD FROM OUR DIRECTOR

---

Dear Laborers of Life,

We are excited to share with you the impact you have made over the last year in the ministry of Cornerstone! It is through your commitment to life that we are able to walk out our mission to share the love of Jesus and provide Christ-centered support, while being His willing hands and feet.

Here is a quick look at where the Lord has led us this past year:

*Cornerstone was able to join a conversation with the Lorain County Health District to discuss critical input on infant mortality in our county. Through this engagement, we have partnered with the LCHD to provide free cribs and sleepers to our expecting mothers.*

*We were given the opportunity to extend our hours to include Fridays, so that we could meet the needs of our clients. The good news? We have been busy every Friday since!*

Lastly, I wanted to share with you about a special time I had with the Lord this past year. I found myself feeling overwhelmed by the task of keeping up with the quickly changing culture, so I went to the Lord in prayer. "Lord, you told me that we are to change with the culture; to adapt. How in the world am I supposed to know what to do? It's changing so fast!" The Lord spoke very clearly saying, "I never told you to change with the culture. I told you to change the culture."

Will you join with us, for yet another year, to change the way our culture values life? The train is moving Lifers, and we need you. "All Aboard!"

In Christ Alone,

Cherilyn Holloway  
Executive Director
