OVERVIEW

CORNERSTONE PREGNANCY SERVICES

DEAR CHAMPIONS FOR LIFE,

We have experienced an amazing year and are thankful for the successes as well as the challenges we faced. This ministry has forged ahead in victory and strength with the assurance that our triumph is in Christ. My prayer for you is health, vitality, and a renewed hope, especially during these interesting times. We have beheld the tremendous faithfulness of our God and are constantly reminded of His enduring promises. As an executive, my certainty rests in knowing that all things are possible through the powerful work of the Holy Spirit. With expectation, Cornerstone has remained steadfast in its commission to serve, bring hope, and share the good news of the Gospel.

During this fiscal year, the ministry has launched a telehealth outreach and online classes for our sheltered-in clients. Our Systematic Training for Parenting (STEP), offered to parents who need agency or court-mandated training and support, will be available in the fall of 2020. Our men's ministry is reaching out and touching the lives of young men. We anticipate working with local churches to meet the needs of young fathers requiring parental mentoring.

Our social media presence has grown immensely. We have reached over 12,000 viewers with innovative internet posts and targeted ads. The medical clinic continues to observe an increase in appointments for abortion-determined women. The staff ministered to a total of 26 women who were resolute in their decision to abort. Fourteen of these at-risk women changed their minds for life. After leaving the center, 3 additional women made a quality decision to choose life. A mobile prayer initiative is underway that will support the staff and intercede for our clients before and during critical appointments. Crucial ministry times like these require essential and unrelenting intercession, your prayers are principally needed and solicited. As our precious partners, you are standing in the gap with us in a supernatural battle for the lives of the unborn.

During the 2019-2020 fiscal year, Cornerstone served over 289 distinct clients and recorded more than 584 client visits for various program services. As a result of your partnership, we were able to celebrate the birth of 16 babies born to abortion-prone women. The gospel was presented to 167 clients with 38 first-time confessions of faith in Christ Jesus. Fifty percent of all clients served were between the ages of 15-29 years old. This segment of our clientele represents those generally targeted by abortion providers and susceptible to abortion procedures. With your faithful support, Cornerstone Pregnancy Services will remain on the front lines intercepting the lives of the vulnerable and steadfastly raise the standard for life and champion the cause of this vital mission.

Standing for Life,

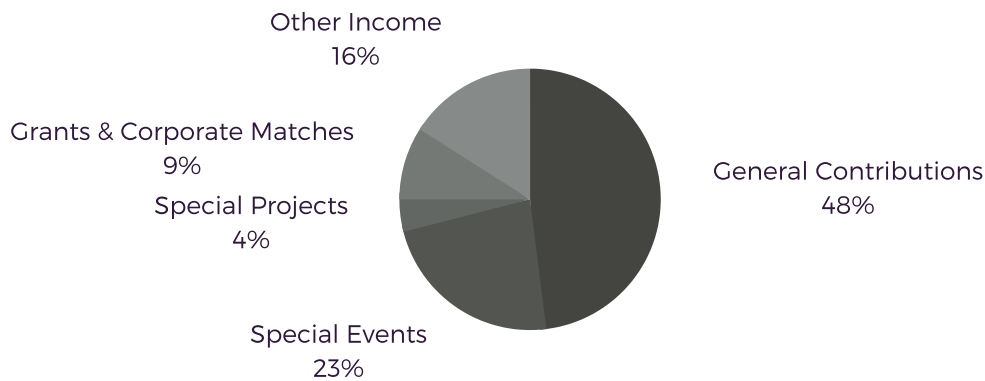

A handwritten signature in black ink that reads "Cynthia Carter-Smallwood". The signature is fluid and cursive, with the first name being the most prominent.
