OVERVIEW

CORNERSTONE PREGNANCY SERVICES

DEAR CHAMPIONS FOR LIFE,

As I compose this fiscal year-end communication, I am reminded of the wisdom of God is greater than the wisdom of man. Isaiah 55:8-9 declares, "For my thoughts are not your thoughts, neither are your ways my ways," declares the LORD." "As the heavens are higher than the earth, so are my ways higher than your ways and my thoughts than your thoughts." If we focus on the situations occurring in our world, an individual can easily acquire a pessimistic view of what is seen. The Lord consistently compels me to continue moving this ministry forward in His faith and His strength. All of the institutions that are formulated in the strength and wisdom of men fail. However, godly foundations are stabilized on a Rock that cannot be shaken and remains firmly established.

The ministry outreach of Cornerstone Pregnancy Services is established by the agency of the Almighty, and will continue to stand as we trust in His plans, wisdom, and provision. Through this past year, there were times we could not see past the bend in the road. However, we trusted in God's unfailing promises and witnessed the Lord move beyond anything we could have thought or imagined. Through your generosity, we have served countless women, saved numerous babies, and shared the Gospel with multiple souls who witnessed the miraculous power of salvation. Together, we are executing God's will for the pre-born, and intercepting the lives of the women and men He loves. We are changing generations as laborers of Christ.

This past fiscal year, we increased the number of abortion pill rescue clients served, observed a sharp rise in online classroom encounters, improved our ultrasound technology giving women a sharper and clearer picture of the wonder of life in the womb, and we launched our abortion healing (pregnancy loss) program called Restoring Grace. Cornerstone recorded more than 496 client visits for various program services. As a result of your partnership, we were able to celebrate the birth of 49 babies born to abortion-prone women. The gospel was presented to 151 clients with 26 professions of faith in Jesus Christ.

We rejoice in the opportunity to provide these life-changing services. All of our programs and services are a testimony that the kingdom of God is progressing and active on earth. Your partnership is a demonstration of the goodness, justice, and love of God in action. It allows those with limited experience or knowledge of His grace witness the Lord's government extended to their conditions. Our clients can behold Jesus' hands extended to rescue, heal, restore, and save due to your support of this vital mission.

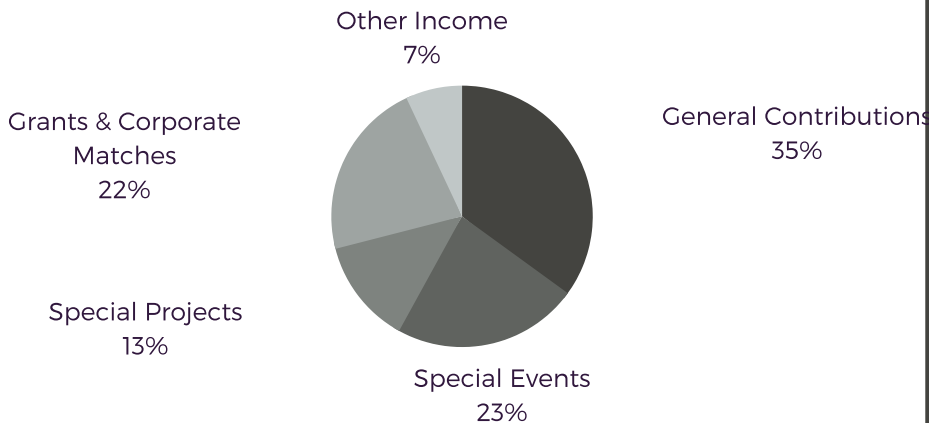

In His Power and Grace,
Dr. Cynthia Carter-Harris
